 www.academyoftextilesandflooring.com

Radisson Hotel
 7320 Greenleaf Ave
 Whittier, CA 90602
 (562) 945-8511

The Fire & Smoke Restoration Technician course concentrates on technical procedure for successfully completing the restoration of a fire and smoke damaged environment. Students will learn how to combine technical procedures with a practical approach to managing the job site and how that relates to pricing the job, and practical application for cleaning deodorization of fire and smoke damaged structures.

Instructor: Mike Sciuolo

Mike Sciuolo has been in the cleaning and restoration industry for over thirty years. Mike has been teaching IICRC Certification classes since 1983. He has been involved hands on performing all aspects of cleaning, odor control, water damage, and fire-damage and mold remediation projects. He attained his CIE, CMRS through the IAQA and his CR through RIA. As an approved IICRC instructor he has attained Master Water, Fire and Textile Cleaning Status. Mikes school involve lively honest lecture, power point, and video presentation.
