This educational and practical two day seminar is designed to certify students as International Institute of Inspections, Cleaning and Restoration Certification (IICRC) Carpet Cleaning Technicians. All other IICRC courses build off of this course which presents the basic concepts and systems of cleaning. The material is presented in a generic format with lecture, audio-visual and hands-on cleaning used to aid the learning process and includes a 350 pg. manual.

### CARL WILLIAMS

Hard driving, motivated builder with a keen sense of humor, he built his own diverse cleaning business and has 30 years experience in the industry as a get-it-done person. He is a graduate of the University of Southern California and is people, task and goal-oriented. Truly a communicator in our industry. Past president of the Carpet Cleaner Institute. Past recipient of Joe Laurino Carpet Cleaner of the Year Award and five time winner of the Bill Bailey Memorial Award. Senior Carpet Inspector Carl Williams has been one of the principal instructors of IICRC courses for over 25 years. His logical, understandable and enjoyable style has trained thousands of cleaning technicians.
